AFFIDAVIT

I, the undersigned, being duly sworn, state that the following facts known by me or told to me by other reliable persons form the basis for my belief that the Defendant committed this crime.

On January 7th at 6:05 am, I was given information that the defendant had possibly given birth. The defendant was seen at work on January 5th and appeared to be pregnant and then was seen at work on January 7th and appeared not to be pregnant with a completely different physical appearance. This information lead officers to interview the defendant. The defendant agree to go to the hospital and agree to a blood test which she took and indicated she was or had been pregnant recently. The defendant consented to a further interview in which she admitted to this officer that she had given birth to twins and told the location of the bodies. 1st Responders determined both new borns were deceased on 01-07-12. The defendant agreed to yet a further interview during which she admitted she had acted or committed certain acts to terminate the lives of both new born infants. The defendant further admitted that she intended to end their lives and was not at any time intending that they would live.
